

**Scholarship Recommendation Form**

**Instructions:** Thank you for being a recommender for the PCAFPD scholarship. Recommendations are used as part of the selection process. Please type your information below and provide a digital copy to the applicant for submission. Handwritten responses will not be accepted.

**Recommender Information**

Name: Voltaire Jacinto

Relationship to applicant: Teacher/YES-O Adviser

Organization/School: Nueva Vizcaya General Comprehensive High School

Email address: voltairejacinto@gmail.com

**Applicant Information:**

Name: Ellard Saiasi L. Almuete

Current School: Saint Mary's University

**Recommendation**

To Whom It May Concern,

I am writing this letter of recommendation for **Ellard Saiasi L. Almuete**, a student who has consistently shown outstanding leadership and a deep commitment to community service throughout her high school years.

Saiasi has been a dedicated officer of the Youth for Environment in Schools Organization (YES-O) since her early high school days, serving continuously up to her senior year. Her long-standing commitment to the organization reflects her genuine passion for promoting environmental awareness and responsible action. The YES-O program at our school emphasizes innovation, science, and technology as tools to nurture a cleaner and more sustainable environment.

Throughout her years of service, she was one of the students who led activities that involved organizing school-wide clean-up drives, mobilizing students to participate in environmental campaigns, and leading the implementation of various science-based activities that promote environmental awareness.

One of the highlights of her journey as an officer is her active participation in the annual YES-O Camp, which focuses not just on educating students on environmental concerns, but also on developing their leadership and camaraderie. She often facilitates and supports these activities, helping create a space where students could grow as responsible leaders and stewards of the environment.

Her efforts have not only helped the organization grow but have also instilled in other students a heightened sense of responsibility and action toward environmental sustainability. Beyond the confines of YES-O, she continues to be a role model in our school community through her positive attitude, academic discipline, and active participation in various school-wide programs.

I strongly believe that her leadership potential and service-driven mindset will continue to grow and flourish in any academic or civic environment she chooses to be part of. I highly recommend her for any opportunity that values initiative, service, and integrity.

Please feel free to reach out if you have any questions.
