It is my great pleasure to recommend Francesca Erich Lim for admission to this University . During that time, I was thoroughly impressed by Erich's commitment to academics.While studying in this school, She demonstrated extraordinary strengths in her field. Her Academic work was already on a level that would usually only be expected from a master's student. In it she met all the standards and is really competitive and serious when it comes to completing the tasks given to her. In addition to Francesca Lim's exceptional accomplishments as a studentleader,varsity,model, her personal traits made her an outstanding member of this School.

It is my strong opinion that Francesca Lim would be a great potential to your University, and she has my highest recommendation. Please feel free to contact me if you have any questions regarding her character or past academic work.
