Recommendation

I am writing to fervently recommend Ms. Novella M. Felizardo for any scholarship. As her former Senior High School grade eleven adviser at Baganga National High School, I had the chance to personally witness how Ms. Felizardo excels academically, ethically and socially among others 49 students inside our classroom. Her resilience, kind-heartedness, dedication, and ability to inspire others left a profound impression to me. Furthermore, she consistently managed rigorous academic challenges with extracurricular leadership tasks and responsibilities, manifesting a well maturity beyond her age.

I am confident that Ms. Novella M. Felizardo exemplifies the qualifications of candidate for your scholarship that you are looking to support - someone demonstrates intellectual integrity, practical achievements and with clear vision for future impact.
