### Recommendation

I am honored to provide a reference for **Nicole D. Deomampo**, who stands out as one of the most dependable, capable, and outstanding students I have had the privilege to work with. A consistent honor student, she has continuously demonstrated academic excellence paired with a strong grasp of how to apply knowledge to real-world contexts an increasingly rare and valuable trait.

Beyond academic achievements, she exemplifies leadership through action and character. She is one of the most reliable and trustworthy individuals in our school community. When given tasks, she approaches them with maturity, clarity, and a sense of responsibility far beyond her years. Her peers often look to her for guidance, and she naturally takes initiative in group settings, ensuring that everyone feels included and that goals are met efficiently.

What truly sets her apart is her quiet yet impactful leadership. She leads not through mere authority, but through example by consistently showing kindness, integrity, and a commitment to excellence in everything she does. Whether organizing classroom activities, helping classmates with challenging lessons, or volunteering in community projects, her contributions always leave a positive and lasting mark.

I have full confidence that she will continue to excel and lead with purpose, and I believe she is an ideal candidate for the PCAFPD scholarship. I wholeheartedly recommend her for your support.
