Name: ANTONETTE LEE OBLAN LATUBE

Current School: Palawan State University

Recommendation

It is with great respect and admiration that I write this letter of recommendation for Ms. Antonette Lee Oblan Latube, a remarkable young woman and an exemplary member of our barangay. As Barangay Captain, I have had the privilege of witnessing her growth and contributions to the community over the past years, and I can confidently say she is one of the most promising young individuals in our area.

Antonette has consistently excelled in her academics, having received recognition for her outstanding performance. She was awarded With Honor in her High school, achievements that reflect her dedication, strong work ethic and commitment to excellence. She approaches her studies with discipline and enthusiasm, often going beyond expectations in pursuits of learning.

Antonette is also a passionate and talented student journalist. She regularly contributes insightful articles to her school publication, using her hands to express thoughtful opinions and raise awareness on important topics affecting both the school and wider community. Her ability to write with clarity and purpose has earned her respect from both peers and educators.

What sets Antonette apart even further is her genuine kindness and willingness to serve others. She is an active and caring youth volunteer in our barangay, consistently showing compassion and leadership in her involvement with various activities. Whether helping organize community programs or supporting younger children in need of guidance, she brings warmth, responsibility and sincerity to everything she does.

Thanks and more power.
