To whom it may concern:

Greetings of Peace and Abundance!

The undersigned humbly recommends Miss Erica Pascua, a 1st year student from the Bachelor of Science in Accountancy Program of the University of Saint Louis Tuguegarao for the scholarship program under the Peace Corps Alumni Foundation for Philippine Development. She has been my student in her two (2) subjects last school year 2024-2025. She is an active and a responsible student seeing to it that she prioritizes her studies and shows interest as evidenced by her regular attendance to class and her very satisfactory grades. May it be known to the concerned that I do not have any relationship with the said student. That this recommendation is for the purpose of her application for scholarship only.

Thank you and God Bless!

Very truly yours,

GLADYS T. TUMBALI, DBM
