Recommendation

Dear Hiring Committee,

I was the former adviser of Abeguel Cadorna in her 10<sup>th</sup> grade in high school at Baobaoan Integrated School. Where she studied for four years and executed her unwavering excellence through academics and leadership. She was the former president of the Supreme Student Government for her last year in junior high and was the top 1 completer in her batch.

She was an admirable student because of her diligence and character. She is a model student to her classmates and a responsible individual. She is an academic achiever and student leader.

I recommend you accept her to your Peace Corps Alumni Foundation for the Philippine Development scholarship program because I know for sure this scholarship would go a long way toward helping her achieve her goals. You will not find a more worthy recipient like her. Kindly contact me if you have any questions about her.

Sincerely,

MARC ARIEL D. LANGANLANGAN
