**To the Scholarship Committee / Admissions Office**

I am honored to write this letter of recommendation for **Dave Tyron Ompad**, a dedicated student-athlete who has consistently demonstrated hard work, discipline, and character both on and off the field.

John is a well-rounded individual who balances academics and athletics with remarkable focus and maturity. As a student, he shows great responsibility and commitment to his studies, consistently meeting deadlines and maintaining good performance in the classroom. As an athlete, he gives his full effort in every practice and competition, showing up early, staying late, and pushing himself beyond expectations.

What truly sets John apart is his **work ethic**. He does not take shortcuts and understands the value of perseverance. Whether facing a difficult game or a challenging exam, John tackles every task with determination and grit. His teammates look up to him for his leadership, consistency, and positive attitude.

Beyond his athletic and academic achievements, John is respectful, humble, and coachable—qualities that make him not only a great athlete but also a great person. I am confident that he will bring the same level of dedication and passion to your program, and that he will continue to grow as both a student and an athlete.

I strongly recommend **Dave Tyron Ompad** for your scholarship or athletic opportunity. He is a hardworking young man who will make the most out of any support given to him.

Please feel free to contact me if you need further details.

Sincerely,  
**Jelma S. Bahag**
