To Parents/Guardians:

This report card is an attempt to show you the level of achievement and quality of performance of your child. The computation of grades is based on three criteria: Written Work, Performance Tasks, and Quarterly Assessment (Periodic Exam). Each of these has pre-determined academic weight. Close communication with parents is vital to your child's development. Conferences initiated by you or the teacher will redound to better understanding of your child. Your interest and concern are most welcome.
