Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Ira Mae Joan Viray is the President of the SSLG of the Supreme Secondary Learner Government. She is a pro active leader who leads with a heart, honesty and integrity. She makes sure that the programs we have are well-managed and organized that leads to excellency and not just perfectionism. She has a good connection to other officers as well making sure that no one is left behind. Aside from being a student leader, she's also a consistent honor student. She makes sure that she balances everything- being a leader, a student, a daughter and a friend. She excels in everything she does because that's just simply her. I knew her since she's grade 9. She's an only child of her mother who's already at her golden age. Her father passed away already. That's the reason why she's pushing herself so hard to have a better future ahead of her and to make her mama proud. I fully believe that she's deserving of this scholarship that could help her a lot in reaching her goals and dreams.
