Dr. Leo DP Cubillan
Vice-President for Academic Affairs
University of the Philippines
Quezon Hall, UP Campus
Diliman, Quezon City

Dear VP Cubillan:

I am pleased to recommend MR. DAN JOSHUA A. JUSTINIANO (SN# 2022-21129) to be a recipient of a Presidential UP Scholarship.

Mr. Justiniano was my student last year (1st Sem AY 2023-2024) in Tour 197 – Special Topics in Tourism (Regenerative Development and Tourism). Considering that it was a special topics course whose content was a little more advanced for his year level, I was impressed not only by his performance in class but more importantly his diligence and dedication to keeping up with all the readings and assignments.

Given his work ethic and demonstrated aptitude, I believe that he will live up to the ideals of the University and that a Presidential UP scholarship grant will be a worthwhile investment in him as a scholar and as a future professional.

Sincerely,

Ramon Benedicto A. Alampay, PhD
