### Recommendation

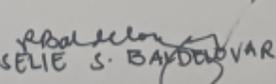

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

As Lucky Arevalo's SSLG adviser for two years, I have witnessed his impressive growth as a student leader. He began as our SSLG auditor and showed early signs of responsibility and vision. The following year, he ran and was elected SSLG President, showing a strong willingness to serve and lead. His enthusiasm for leadership didn't stop at our school. He also became one of the 5th Congressional District Representatives of the Division Federated SSLG in the Schools Division of Iloilo.

Throughout his term, I guided Lucky and the entire SSLG team in initiating and implementing impactful programs for our school community. One of these was Project CARE (Complete Awareness to Rescue Everyone), a training program on basic life support and water safety in partnership with our Municipal Disaster Risk Reduction and Management Office. This project aimed to equip student leaders with emergency response knowledge and was a clear reflection of Lucky's proactive leadership.

He also authored three resolutions for school improvement, all of which were supported by school administrators. One notable initiative he led was Pagkilalahay 2024, a school-wide program designed to foster friendships, unity, and positivity through fun and inclusive activities. It was well-received by both students and teachers and helped strengthen the sense of community in our school.

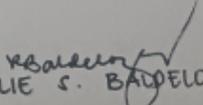

Beyond his leadership work, Lucky has brought pride to our school in many ways. He represented us in journalism competitions and recently ranked 11th in the Central Schools Press Conference for News Writing. He has also joined leadership camps and workshops, and

was recognized as one of the Top 10 Promising Young Legislators during a writing workshop led by the Philippine Councilors League—Iloilo Chapter. Above all, he made history as the 2025 Most Outstanding Senior High School Student of Ajuy.

I believe Lucky fits well with the values and goals of the Peace Corps Philippines scholarship. His dedication to leadership, service, and excellence, along with his genuine heart for helping others, makes him a deserving candidate. Despite facing poverty, he always does his best and takes education seriously. That's why I strongly recommend him for this scholarship opportunity.
