Recommendation

Dear Members of the Committee,

I am honored to recommend **Hayrah Mae R. Noynay** for the PCAFPD Scholarship. As her distant cousin, I have seen her dedication, resilience, and strong commitment to both her studies and her community. She is a consistent academic achiever who has managed to excel in her classes despite financial challenges.

She studies with determination, perseverance, and curiosity, which allows her to perform well and inspire her classmates. Beyond academics, she is also active in community service. She has taken part in activities such as clean-up drives and tree planting, showing her concern for the environment and her willingness to contribute to the welfare of others. Through these efforts, she has demonstrated responsibility, teamwork, and leadership rooted in service.

Aside from her ability to balance academic excellence with community involvement, even while facing financial difficulties. She remains committed to her education and to helping others, qualities that reflect the values PCAFPD supports.

I believe that with the help of this scholarship, Hayrah will continue to do well in her studies, strengthen her leadership, and make a greater impact in her community.

I hope you find this recommendation worthy of you.
