

DEAR PARENTS,

This Report Card is an appraisal of the student's progress in school. It is issued four times during the year. We would appreciate very much if you can come to school to confer with the teachers about your child's progress in the different learning areas as well as his/her progress in the character development.

Our school adopts the K to 12 Grading System. To be promoted, a student must obtain a general average of 75%. A student who fails in two (2) units' maybe promoted to the next year level, if she enrolls and passes the failed subjects in the summer of the same year.

This Report Card is to be returned to the adviser within three (3) days after its issuance.
