Recommendation

I, Bai Rafflesia's adviser, Ivy S. Dela Torre, am writing this recommendation letter to support Bai Rafflesia M. Emblawa in this scholarship. In my role as her adviser, I have witnessed her growth as a student and as a young leader. She currently serves as the business manager of our class and a consistent honor student.

During her extracurricular activities, Bai Rafflesia has shown remarkable dedication. She actively participated in our Girl Scout camp. During one of our school events, she represented our grade level in a cooking competition where she and her partner won first place. She is also a sepak takraw athlete, and during the intramurals, she and her team secured first place. Lastly, she is currently a member of our school's Himig Pagdangat Choir, where she has represented our school in performances beyond our campus.

As the daughter of a single OFW mother facing financial struggles, she continues to pursue her goals with grace and determination. Her ability to balance academics, leadership, and extracurricular activities is a proof to her strength of character.

I fully support her application for this PCAFPD scholarship, confident that she will thrive in any environment that values excellence, service, and perseverance.

Sincerely,

Ivy S. Dela Torre
