To Whom It May Concern:

It is my pleasure to recommend **Esperanza Neri** for scholarship program your good Foundation is offering. As her teacher in **Oral Communication in Context** at i-Tech Computer Education Bago City Inc., I have had the chance to witness Esperanza's growth, dedication, and consistent effort both in academics, leadership, and personal character.

Esperanza is a hardworking and responsible student who always strives to do her best. In class, she actively participates in discussions, shows critical thinking, and demonstrates excellent communication skills. Beyond academics, she carries a positive attitude, respects peers and teachers, and displays genuine leadership when working in group and even in school for she is also the school's SSLG Vice- President.

I believe that Esperanza has the determination, discipline, and passion to excel in whatever opportunity is given. I wholeheartedly recommend her and am confident that she will make meaningful contributions to your institution.
