Dear PCAFPD Scholarship Selection Committee,

It is my pleasure and honor to recommend Andrea De Guzman for the PCAFPD Scholarship. I have known Andrea since she was a child and was delighted to serve as her Punong Barangay in San Antonio de Padua I, Dasmariñas Cavite. After reading through the criteria of the Peace Corps Alumni Foundation for Philippine Development (PCAFPD) Scholarship Program, I strongly believe that you would struggle to find a student more deserving and more in need of it than Andrea.

The Peace Corps Alumni Foundation for Philippine Development (PCAFPD) looks for students who possess exceptional scholastics abilities, as well as the drive to use those abilities to their full potential. Since I have known her, Andrea has demonstrated her superior intellect and thirst to understand the situation of her fellow compatriot as a Barangay Child Representative during her tenure.

On a personal level, Andrea is a young woman of strong character who fully embodies all the traits you look for in potential candidates. Specifically, I was astounded by her kindness, humility and love for the environment. During her high school days, she was a Division Yes-O President of Dasmariñas Cavite. Instead of using her free time for herself, she would do volunteering and partnership with Barangays for Clean-up Drives.

I have absolutely no reservations about recommending Andrea for the PCAFPD Scholarship. I have no doubt she will uphold the standards of a PCAFPD Scholars and become a shining member of your community. Please feel free to contact me if you have any questions regarding her character, past work as a Child Representative, or any other qualifications related to the scholarship.

Sincerely,

CARTER P. MANZANO
Punong Barangay
San Antonio de Padua I
