### Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

To the Scholarship Committee,

It is with a warm heart that I recommend **YESHUA DALIDA CLARITO** for your scholarship. I have watched him grow up in a family of six who have all been devoted to serving our church and community. From an early age, **Yeshua** joined his family in these acts of service, and over the years, he has shown the same humility, patience, and dedication that his parents and siblings live by.

Since elementary school, **Yeshua** has faithfully taught younger children how to read lyrics and sing in the church choir on a weekly basis. This was never just about singing—it was about guiding children, giving them confidence, and sharing joy through music. His consistency in this role for nearly a decade speaks volumes about his character and sense of responsibility.

He also took part in our ST. JOHN THE BAPTIST CATHEDRAL PARISH Catholic church's medical missions, assisting in organizing patient details so families could easily avail of the medical services held last March 13-17 2023. Though quiet in his work, his role made a real difference for those who needed care.

What I admire most is his sincerity and the way he serves side by side with his family. He does not seek recognition but simply wants to help. I truly believe that with your support, **Yeshua** will continue to grow into a young man who brings honor, hope, and pride to both his family and our community.
