Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am writing on behalf of the Wellness & Testing Center of Ateneo de Davao University – Senior High School. I am pleased to recommend Jerhan D. Duran for his application for a scholarship grant. Working with the learner for two (2) years, I watched Jerhan grow into a motivated, responsible, and socially engaged young individual who consistently demonstrates excellence in academics, research, and leadership.

Jerhan's academic achievements, including being a finalist in the John Locke Institute Global Essay Prize and excelling in national and local essay competitions. He has also proven his aptitude in the field of sciences and humanities, winning quiz bees and actively engaging in international affairs discussions. Aside from his academic pursuits, he has served in various organizations such as Vice President of the Supreme Secondary Learner Government, President of the UNESCO Club and Barkada Kontra Droga in his previous school in Sirawan National High School. Currently, he is part of the External Secretary Committee of AdDU-SHS student government. These roles highlight his ability to lead with vision, coordinate effectively, and advocate for youth participation and civic engagement.

I believe that Jerhan will bring the same level of dedication, insight, and leadership to any institution or program he joins. He is not only prepared for greater academic challenges but is also deeply committed to contributing positively to society. He works very hard towards his goals and there is no doubt that he will succeed in the path he will take.
