### Recommendation

It is my honor to recommend my former student, Maru Santino B. Liporada, for the PCAFPD scholarship grant. I have had the privilege of teaching and mentoring him during his time at Lecheria Integrated School and I have witnessed firsthand the qualities that make him a strong candidate for this prestigious award.

One of Mr. Liporada's most outstanding qualities is his demonstrated leadership. As a class officer, he led peers with integrity, initiative, and a genuine concern for the welfare of others. He was not only able to inspire classmates to participate actively in school programs but also showed the ability to organize, delegate tasks, and bring people together to achieve common goals.

In terms of accomplishments, Maru has consistently shown excellence both inside and outside the classroom. Academically, he maintained commendable performance, balancing rigorous studies while engaging in extracurricular and community service activities. His notable contributions in the school created a meaningful impact in our community. These initiatives not only addressed immediate needs but also fostered a spirit of volunteerism and responsibility among his peers.

Beyond leadership and service, Maru embodies resilience, humility, and a strong sense of purpose. Coming from a family with limited financial means, he has remained determined to pursue education not just as a personal goal but as a way to uplift others. His character reflects the very essence of the PCAFPD's mission: to nurture future leaders who are academically capable, socially responsible, and deeply committed to making a difference.

I am confident that Maru will make the most of the opportunities provided by the PCAFPD scholarship, and more importantly, will continue to give back to the community with the same passion and dedication he has consistently demonstrated.

Thank you for considering this recommendation. Please feel free to contact me should you need further information.
