Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

It has been my privilege to serve as Katlin's facilitator and mentor during her participation in our Championing the Youth for Community Leadership or CYCLE programs. As Marymount Academy's National Discipline Awardee for School Year 2023-2024, I have witnessed her grow into a young leader during our Leadership Camp and their Community Immersion, and approached every task with eagerness, humility, and heart. She is not only diligent and disciplined but also compassionate and deeply committed to making a difference in her community. What stands out most is her openness to learn and her resilience in turning challenges into opportunities for growth. I am confident that with her character, dedication, and potential, Katlin will make the most of this scholarship and continue to inspire others along the way.
