Coming from a modest background, she is undoubtedly a deserving candidate for your scholarship program.

Ashley Mae has consistently demonstrated strong leadership potential within our community. She actively participates in barangay initiatives such as feeding programs, relief operations, and youth outreach events. Her dedication is evident not only through her actions but also in the inspiration she brings to her fellow youth.

During her high school years, she held key leadership positions such as SSG Public Information Officer (PIO) and class secretary, where she ensured clear and responsible communication of school activities and announcements. She also proudly represented her school in various academic competitions including Science Quiz Bees, MTAP contests, and speech contests, earning several commendable placements.
