Relationship to applicant: District Pastor

Organization/School: Seventh Day Adventist

Email address: ggpiedraverde@adventist.ph

Applicant Information:

Name: Maxyne Heart G. Evangelista

Current School: Adventist University of the Philippines

Recommendation

I've known Maxyne for quite a while now, when I was appointed in their district as their pastor she is the elected youth leader in their church and learned that she's been the youth leader since 2022, then later in 2025, she is elected as the district's youth president. She is one of the most dedicated leaders I've seen, even during her busy schedule in senior high school she never missed a meeting and showed up constantly to every activities, may it be in church or in district. She is also dedicated to let the word of God be known, she is a faithful servant of God and continually motivates and raise the spirits of the youths, that is also one of the reason why she chose this university, to be trained to serve and be the instrument of God to spread His gospel. This is why I am pleased to recommend this daughter of Christ in your program, to help her in her studies in this university and finish on time. I can assure you that this young lady is hard working and is determined to finish what she started, and is truly determined to do what she indented to do. Thank you for your kind considerations. May God bless us all!

Pstr. Geo G. Piedraverde

District Pastor
