Club Adviser

Organization/School: St. Mary Magdalene School Inc. Email address: ma.ulfricarigosrpm@gmail.com

### Applicant Information:

Name: Kayevin P. Ratonel

Current School: De La Salle University - Dasmarias

### Recommendation

It is my honor to recommend **Kayevin P. Ratonel**, one of our intelligent and hardworking alumni. He has always been a source of pride for our institution, not only because of his academic achievements but also for the way he serves as a leader in the Parish Youth Ministry in Kawit. His dedication to both school and community truly sets him apart.

When he first transferred to our school in 2019 as a Grade 8 student, he immediately stood out; not just for his talent in singing and playing instruments, but also for his academic excellence. He consistently earned honors and actively joined competitions such as quiz bees, where he excelled remarkably.

As his former guidance associate, subject teacher and club adviser, I have seen firsthand his passion and drive. From junior high school until senior high school, he was a committed member of the student government. His leadership inspired many of his peers, and he proved to be not only an effective leader but also a compassionate and approachable one. He carried himself with a sense of responsibility that made a lasting impression on our school community.

Despite financial challenges, he persevered and graduated from our institution with the highest honors, alongside numerous academic, co-curricular, and extra-curricular awards. His journey was supported in part by scholarships from both our school and the Parish, which he used wisely and with gratitude. He completed his studies without any derogatory record, a reflection of his discipline and strong character.

I firmly believe that his intelligence, talents, and perseverance will continue to guide him toward success in both his career and personal life. He has a genuine heart for others and the ability to lead with integrity. For these reasons, I strongly endorse him for your scholarship program. I am confident that he will not only thrive but also bring honor to your institution, just as he has to ours.
