**To whom it may concern,**

Greetings in Christ!

On behalf of the Commission on Youth, I am honored to recommend Ms. Lalaine N. Zabala as she pursues higher education. We have had the pleasure of witnessing Lalaine grow as a dedicated youth who consistently offers time and effort in serving our parish and community.

Lalaine has engaged deeply in a variety of church activities volunteering to help whenever possible and serving humbly. Whether through assisting in programs, simply helping with parish events, or engaging in youth led activities, She has been dedicated, diligent, and motivated by authentic love of God and love of neighborhood.

What distinguishes Lalaine is her service commitment but also the positively uplifting impact on other young people. By presenting a consistent example of faith, responsibility, and fortitude, she encourages peers to actively participate in community and community spirituality.

We of the Commission on Youth recognize that Lalaine possesses the virtues of honesty, compassion, and diligence that will sustain her for academic success and future pursuits. she will continue to show the same heartfelt willingness to service in the parish that directs her to significant contributions to the community and society.

Devotedly yours in Christ,
