Dear Scholarship Committee,

I am pleased to write this letter of recommendation for Ashanti Shiquiya D. Villanueva. As her spiritual leader, I have known Ashanti Shiquiya D. Villanueva for 3 years. During this time, I have witnessed their dedication, integrity, and commitment both to their faith and to their community.

Ashanti is an active member of our congregation and has consistently demonstrated exemplary character and leadership. She has participated in various church activities, such as leading youth group meetings, volunteering at community outreach events, and assisting with Sunday school. Her strong willingness to serve and passion for helping others have greatly benefited our church and set an admirable example for her peers.

Academically, she has shown her greatest perseverance and determination. Their ability to balance academic responsibilities with their involvement in church activities speaks volumes about their time management skills and responsibility. She is respected by both peers and adults in the congregation, which further underscores their maturity and reliability.

In addition to her academic and spiritual commitments, she is known for her kindness and compassion. She is always willing to lend a listening ear and support those who are in need, embodying the core Christian values of a love and service.

I am confident that Ashanti will excel in her future endeavors, and I highly recommend her for the Peace Corps Alumni Foundation for Philippine Development PCAFPD Scholarship. Her strong moral compass, along with her academic and extracurricular achievements, makes her an outstanding candidate for any path she chooses to pursue.

Thank you for considering my recommendation. Please feel free to contact me at 0936-305-1914 or erikajoyilagan02@gmail.com if you require any further information.

Sincerely,

Erika Joy I. Omamalin
