To whom it may concern:

It is with great confidence and pleasure that I recommend **HONEY JOSAIN V. MENDOZA** for the Peace Corps Alumni Foundation for Philippine Development (PCAFPD) college scholarship offered by your esteemed foundation. I have had the privilege of being a subject teacher for the past two years at Senior High School within Bacoor Elementary School, located in Barangay Población, City of Bacoor, Cavite.

In her two years in the senior high school, Ms. Mendoza has consistently demonstrated academic excellence, exceptional leadership skills, and a commendable sense of responsibility throughout her senior year. I strongly believe that she possesses the qualities and traits of a suitable candidate for the scholarship grant. As she pursues a Bachelor of Arts in Journalism at the University of Santo Tomas, I am confident that she will thrive personally and academically. In her SHS years, she had been a talent for writing, for creative and academic writing. She showcased critical, thought-provoking questions, exemplary word dynamics, and outstanding standardization and organization of ideas in writing. As one of Ms. Mendoza's subject teachers and her school paper adviser, I have witnessed her exceptional imagination and creativity in writing. She demonstrates a detailed awareness of social and political issues as a young journalist, which I believe gives her an advantage as an aspiring student in journalism. Being a young intellect, her analytical thinking, perseverance, and commitment to excellence align well with the demands of her chosen field.

On a personal level, Ms. Mendoza exhibits maturity, sound judgment, and strong moral values. She approaches challenges with determination and prioritizes tasks efficiently, even under pressure. Minding her joining several competitions, she managed her extracurricular activities and academic activities with grace and poise. Her ability to remain focused and her unwavering sense of purpose are qualities that will contribute to her success in taking the program at her chosen university.

Thus, I have absolutely no hesitation in recommending Honey Josaine V. Mendoza for this scholarship program. I am certain that she will uphold the standards of the university with distinction, will exert meaningful contributions to the UST community, and will be a great example to other aspiring scholars of the foundation.
