Subject: **Recommendation Letter**

September 29, 2025

To whom it may concern,

I am Ma. Rainella Noeida M. Malicdem, President of the Community Volunteers Organization (CVO), and it is with great honor and confidence that I write this letter to strongly recommend **Ms. Danielle Jhosefa R. Abacan** for the **PCAFPD Undergraduate Scholarship Program**.

Danielle is currently serving as the Creatives and Branding Director of CVO, a role in which she has consistently demonstrated exemplary dedication, creativity, and wholehearted commitment to community service. Her willingness to serve without expecting recognition reflects a genuine heart for people and an admirable sense of social responsibility.

Her leadership skills, artistic vision, and strong work ethic set her apart. Given her outstanding character and proven dedication to public service, I am confident that Danielle will not only meet but also exceed the expectations of the PCAFPD Scholarship. I wholeheartedly endorse her application and believe that she will use this opportunity to further her education.

Should you require any further information, please feel free to contact me at mrnmalicdem@gmail.com or at 0998 595 2908

Respectfully yours,

MA. RAINELLA NOEIDA M. MALICDEM
President, Community Volunteers
