Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am pleased to recommend Christlyeane Angel Catap, Vice President of the Supreme Secondary Learner Government (SSLG) of Commonwealth High School, for your scholarship program. As her SSLG Adviser, I have closely observed her development as a student leader who takes her responsibilities seriously and always strives to be of service to others.

She began her service in the Internal Affairs Committee in S.Y. 2024–2025 as a member and later became its Chairman. At present, she continues her leadership as SSLG Vice President, where she has played an important role in planning and carrying out projects, drafting policies, and ensuring that student programs are well-implemented. Beyond her school duties, she also joins outreach activities and volunteer work that aim to support communities and engage with youth her age. This shows her willingness to extend her efforts outside the school and apply her leadership in real settings.

In all these roles, she has shown consistency, responsibility, and dedication. I believe she is well-prepared to take on greater challenges and will be an asset to any institution that values academic achievement, leadership, and service.

Respectfully,

Marilou P. Dosal
SSLG Adviser
