Recommendation

It is my great honor to recommend Athena Yshelle D. Ysit, a dedicated member of the PCCR Rotaract, for the PCAFPD Scholarship Program. As the Secretary of our Rotaract Club, I have personally witnessed Athena's commitment to leadership, service, and academic excellence.

Since joining our club, Athena has consistently shown strong leadership qualities. She has taken active roles in organizing and leading community service initiatives, such as medical missions, literacy programs, environmental clean-up drives, youth empowerment seminars, etc. These projects have not only benefited our community but also inspired fellow members to participate more actively.

In addition to community service, Athena has been a role model for discipline and commitment. Balancing academic responsibilities with active involvement in Rotaract requires dedication, and she has shown admirable perseverance in both areas. Her ability to inspire peers, work collaboratively in a team, and lead with integrity are qualities that make her an outstanding candidate for this scholarship.

I firmly believe that with the support of PCAFPD, Athena will be able to continue pursuing her academic goals and further amplify her positive impact on the community. I highly recommend her for this scholarship without reservation.
