### Recommendation

**PCAFPD scholars are chosen based on their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.**

It is my pleasure and honor to recommend Troy N. Flores for the **PCAFPD** Scholarship. I have known Troy for two years and was delighted to serve as his Science teacher in Senior High School and at the same time her Grade 11 class adviser at Dian-ay National High School. He is an exceptional young boy who has a natural aptitude to put ideas into action and a strong desire to study. I strongly believe that you would struggle to find a student more deserving and more on need of it than Troy.

On a personal level, Troy is a young man of strong character who fully embodies all the traits you look for in potential candidates. He has consistently maintained his grade as an honor student and is a diligent student as well. In my role as his teacher/adviser, I observed a special capacity to mobilize his classmates before to assessments or significant assignments, motivating them to assist and encourage one another. I've had the chance to observe this same propensity for cooperation, friendship, and support outside of my own class as his science teacher. He has always demonstrated a strong will to stand up and follow his dreams. It would truly be a tragedy if he was unable to pursue his academic goals as a result of his difficult financial situation.

As a result, it gives me great pleasure to endorse Troy N. Flores as a worthy recipient of the **PCAFPD** Scholarship. He is a really driven and successful leader who, in my opinion, deserves this recognition. He would undoubtedly use this scholarship to carry on his illustrious and committed academic career. Please get in touch with me at the aforementioned email address if you have any more questions.
