Recommendation

It is my distinct honor to recommend Ms. Juliana Marie Baximent, an exemplary graduate of our ABM Strand, whose leadership, academic excellence, and resilience set her apart as one of the most outstanding students of her batch.

Juliana is a natural-born leader, disciplined and organized in all her endeavors. As President of her class, she demonstrated remarkable responsibility, ensuring that her classmates—whom she fondly called her *kapatids*—were consistently informed of schedules, tasks, and important reminders. Her leadership extended beyond the classroom, as she became one of the strongest pillars of the Accounting Students in Action (ACCSIA) Club. Though she officially served as the club's secretary, she was regarded by both peers and younger students as one of its most reliable officers, readily available to provide guidance and support for various programs and initiatives of the strand.

Juliana's academic and leadership awards are tangible evidence of her unwavering commitment to excellence. She graduated with honors and was recognized with awards such as Leadership Award, Excellence in Communication Arts, and Excellence in Work Immersion, affirming her ability to balance her academic obligations with her leadership roles.

In every sense, Juliana embodies the qualities of an ideal student. She is visionary, disciplined, and committed to turning aspirations into reality. I have no doubt, based on the feedback of her teachers, that she will continue to excel and make meaningful contributions to any institution or community she becomes a part of.

I extend my highest recommendation for Ms. Juliana Marie Baximent. She is a student of integrity and purpose, and I am confident that she will thrive in her future academic and professional endeavors.
