Scholarship Selection Committee
Via Online Submission

Dear PCAFPD,

It's my pleasure to recommend Justin T. Ubalde as an applicant for your Undergraduate Scholarship Program. I got to know Justin as his adviser from the Arts and Design Track in Vinzons Pilot High School. During that time, I was thoroughly impressed by Justin's commitment to understanding and exploring the hidden depths of his chosen track in Senior High School.

Being his adviser for two years, he demonstrated an extraordinary interest and ability to learn all the subjects in Arts and Design. His outputs, both written and performance, were already on a level that would usually be recognized as outstanding in his class; that's why he became a consistent Top 1 during classroom recognition from Grade 11 and 12, securing with High or Highest Honors. He graduated with Highest Honors during the commencement exercises last April 15, 2025. He also delivered the Welcome Remarks on behalf of the graduating students.

In addition to Justin's exceptional academic accomplishments, his being President and Club Leader, his selflessness, and commitment to helping classmates and club members made him an outstanding leader both in class and the SINDI (Sining at Disenyo) Club, which earned him the Leadership Award for the SINDI Club during their SHS Graduation Ceremony.

It is my strong opinion that Justin would be a tremendous addition to your list of scholars, and I have his highest recommendation. Please feel free to contact me if you have any questions regarding his past academic performance.

Sincerely,

Estelita B. Ubaña
