### Recommendation

**PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.**

It is with genuine privilege that I recommend Miss Yjazmine C. Cuison, a Grade 12 student in the General Academic Strand student and the current Supreme Secondary Learner Government (SSLG) President for School Year 2025–2026, for the PCAFPD scholarship.

Yjazmine has consistently shown what it truly means to be a leader. As SSLG President, she does not just hold a title — she fulfills it with confidence, empathy, and fairness. She works closely with her fellow officers, earning their trust through her collaborative spirit and excellent communication skills. Her leadership style is inclusive, always making sure that every voice is heard and valued. Because of this, many of the projects she has spearheaded have been both meaningful and impactful to the student body.

Equally impressive is her academic performance. Yjazmine is an honor student, a testament to her discipline and determination. What stands out is how she manages to balance her academic responsibilities with her leadership commitments. This balance reflects her perseverance, focus, and dedication to personal and collective growth.

Beyond her achievements, Yjazmine is admired most for her character. She treats everyone with respect — from her peers to her teachers — and carries herself with humility despite her accomplishments. Her sense of responsibility and genuine passion for service have

made her a role model, not only to her classmates but also to the younger students who look up to her.

Her influence also reaches beyond the walls of the school. She actively engages in community initiatives that promote volunteerism, cooperation, and social responsibility as peer educator. Yjazmine leads not only with competence but also with compassion, which sets her apart as a truly promising young leader.

I believe Yjazmine embodies the values of the PCAFPD scholarship: academic excellence, leadership, and service to others. I believe that she will continue to grow as a servant-leader and contribute meaningfully to her community and society.
