

Dear PCAFPD,

I hope this message finds you well. I deeply apologize for not being able to present the original recommendation letter that is intended for my application to your scholarship program. Due to unforeseen circumstances which is the unavailability of a person I request for a recommendation letter— I was unable to secure the specific document on time.

In order to complete my application, I am providing another recommendation letter that was originally prepared for a different scholarship which I failed to secured. While it was written for another program, it still reflects my character, academic performance, qualifications as a student and responsible citizen in our community. I believe that it provides an accurate description of my abilities. I kindly ask for your understanding in accepting it as part of my application.

Thank you very much for your understanding.

Sincerely,

Edison T. Macaso
