Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I highly recommend Benrose Tacuyan for this scholarship. Throughout my time as her teacher, she has consistently been one of the top-performing students in our class. There were times when opportunities such as competitions came up, and I learned that she chose not to participate because of the financial cost involved. Even so, she never allowed those circumstances to affect her academic performance in school. She remained focused, prepared, and committed to doing her best each day. Her perseverance, strong academic standing make her a deserving recipient of this scholarship.
