Name: Briones, Mherit Althea C. Current School: University of Santo Tomas

Recommendation

As a student here in Siena College of Taytay for academic year 2024- 2026, Mherit Althea C. Briones, is an honor student since Grade 11 and Grade 12. She has consistently demonstrated commendable behavior and a strong sense of responsibility. She conducts herself with integrity, respect, and maturity in both academic and social settings. As her class adviser and subject teacher, I have observed her positive interactions with peers and teachers, as well as her willingness to contribute constructively to classroom activities.

Mherit Althea also follows school policies diligently and shows initiative in maintaining a harmonious and productive learning environment. She is dependable, cooperative, and displays a good attitude toward her studies and responsibilities. Her conduct reflects well on her character and upbringing, making her a valuable member of the school community.

In view of the above, I confidently endorse Mherit Althea C. Briones for any opportunity that may require a student of good moral character and proper conduct. It is with high hopes that you will accept her as a scholar in your institution. I am certain that she will continue to uphold the same standards in her future endeavors.
