
RECOMMENDATION LETTER

Date: July 07, 2026

To the Scholarship Selection Committee,

I am writing this letter to express my full support for **Ms. Juezele Vergara** in her application for your scholarship program.

As Juezele's Community Health Nursing instructor, I have observed her dedication both in the classroom and during our community activities. She approaches every responsibility with seriousness, respect, and a willingness to learn. She listens carefully, follows instructions well, and consistently demonstrates professionalism during our fieldwork.

During our community outreach programs, I noticed how naturally she interacted with older adults and other community members. She treated everyone with kindness, patience, and respect, showing genuine concern for their well-being. These qualities are essential for someone pursuing a career in Nursing.

Beyond her academic responsibilities, Juezele has shown remarkable perseverance. She continues to pursue her studies despite personal challenges, and she does so with determination and maturity. I believe these experiences have strengthened her character and prepared her to face future responsibilities with confidence.

Based on my observations, I believe Juezele has the potential to become a compassionate and competent nurse. I strongly recommend her for this scholarship and am confident that she will make the most of this opportunity.

Sincerely,

Analie Soriano, RN

Community Health Nursing Instructor
