

Recommender: John Pastias (Organization Chairperson)

As the Chairperson of our organization, I had the opportunity to witness nxool serve with genuine commitment rather than for recognition. During her involvement in Barkada Kontra Droga and other student activities, she consistently carried out her responsibilities with initiative, professionalism, and a willingness to support both officers and fellow students.

What stands out most is her ability to lead with empathy. She listens before she speaks, values teamwork, and remains dependable even when tasks become challenging. She is the kind of student who quietly ensures that work gets done while encouraging others to contribute as well.

Knowing the determination she has shown despite the financial challenges her family faces, I am confident that this scholarship will help her reach her full potential. I strongly believe she will use the opportunity not only to succeed academically but also to continue serving her community with integrity.
