Recommendation:

To the PCAFPD Scholarship Selection Committee:

It is my pleasure to express my wholehearted support for the application of **Mr. Rexel C. Barrameda** to the PCAFPD Scholarship Program. As a Municipal Councilor of the Municipality of Tuy, I have witnessed his growth into a young leader whose dedication to public service extends far beyond his academic responsibilities. He is among the few young individuals who consistently choose to devote their time, skills, and energy to initiatives that strengthen our community and empower fellow youth.

What distinguishes Rexel is his genuine commitment to community involvement. He is an active member of the **Tuy Youth Council**, where he regularly participates in activities that promote youth empowerment, volunteerism, and civic engagement. Through this organisation, he has willingly taken part in local programs that encourage young people to become responsible citizens and active partners in community development.

His commitment to service is likewise evident through his involvement in the **Tuy Vegetable Growers Association Youth Chapter**, where he supports initiatives that promote sustainable agriculture, environmental awareness, and youth participation in local livelihood programs. His willingness to engage with different sectors of the community reflects his understanding that development is achieved through cooperation and active citizenship.

Beyond these organizations, Rexel consistently volunteers during municipal activities, environmental campaigns, community outreach programs, youth leadership forums, and various initiatives organized by our local government. Whether working alongside fellow volunteers, assisting in community events, or supporting programs for young people, he approaches every opportunity with humility, professionalism, and a sincere desire to contribute.

I have also observed Rexel's ability to connect with people from different backgrounds. He carries himself with respect, listens attentively, and demonstrates maturity that is uncommon for someone his age. Rather than seeking recognition, he quietly focuses on accomplishing the work entrusted to him and encouraging others to become involved. These qualities have earned him the trust and respect of fellow youth leaders, educators, community members, and local officials.

It is particularly inspiring to see that despite the financial challenges he continues to face, Rexel has remained steadfast in pursuing his education while maintaining an active role in community service. His perseverance reflects a deep appreciation for every opportunity he receives and a sincere desire to give back to the municipality that helped shape him. He understands that leadership is not measured by titles but by the willingness to serve whenever service is needed.

The Municipality of Tuy takes immense pride in young citizens like Rexel. He represents the values that we strive to cultivate in our youth: integrity, compassion, discipline, and a genuine commitment to improving the lives of others. I have every confidence that, with the support of the PCAFPD Scholarship Program, he will continue to grow into a socially responsible professional who will use his education to create meaningful and lasting contributions to both our municipality and our nation.

For these reasons, I give **Mr. Rexel C. Barrameda** my strongest recommendation for the PCAFPD Scholarship Program. I am confident that he possesses not only the academic potential to succeed but, more importantly, the character and heart to use his education in the service of others.

Thank you for your thoughtful consideration.

Respectfully yours,

HON. ROSELIO F. BALBACAL
