Recommendation

It is my pleasure and honor to recommend Ms. Juliane Lith Nicole Paghubasan Paulo for the PCAFPD Scholarship Program. I've known Ms. Paulo for 4 years as her discipleship group leader in our local church at Lower Bicutan Taguig (Temple Baptist Church).

Ms. Paulo has always impressed me with her determination to excel in every area that she has. She has a positive attitude and is diligent to achieve her goals, most especially in her academics. I'm proud to say, that every year, Ms. Paulo has always been one of the honors of her class during her grade school years. In spite of the struggles and obstacles that she faced, Ms. Paulo indeed excels in her studies.

In our church community, Ms. Paulo is a big help to us. Whenever we have our discipleship group, we can entrust her to lead and facilitate the younger youths. She has good communication skills, to engage and inspire others to excel in personal growth and even in academics. She loves to learn and is always active in participating with community activities. Also, she inspires others by using her talents and gifts and being a good youth role model in our church. She is a respectful young woman to others, and a loving child to her parents.
