Recommendation

I highly recommend Edward Paulino for the PCAFPD Scholarship Program. As Edward's former adviser, I had the opportunity to witness his dedication, growth, and strong character firsthand.

He is a consistent honor student who has maintained excellent academic performance through hard work, discipline, and perseverance. Beyond his academic achievements, Edward is responsible, and always willing to help others. He leads by example, works well with his peers, and actively participates in school and community activities. I am confident that he will make the most of this opportunity and continue to be a positive influence in both his school and community.
