Applicant Information: Use additional pages as needed

Name: Samantha Airelle P. Sta. Isabel Current School: Our Lady Of Fatima University

Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am honored to write this letter of recommendation for Ms. Samantha Airelle P. Sta. Isabel, whom I had the privilege of teaching and mentoring during [his/her/their] completion of the Nursing Assistant program at Alwali Training and Development Center, Al Hoor, Manama Kingdom of Bahrain batch 38 school year 2025.

As Ms. Samantha's mentor, I observed firsthand her exceptional academic ability, clinical competence, and professional demeanor. She graduated with honors and was the recipient of the Proficiency Award, an achievement that reflects consistent excellence in both theoretical knowledge and practical skills.

Throughout the program, Ms. Samantha demonstrated a strong work ethic, critical thinking skills, and a genuine commitment to patient-centered care. In clinical settings, she showed confidence, attention to detail, and compassion, while always maintaining professionalism and ethical standards. Her ability to apply classroom learning to real-world clinical situations was particularly noteworthy.

Beyond academic performance, Ms. Samantha stood out as a dependable and motivated student who actively sought feedback and continually worked to improve. She displayed leadership qualities, collaborated effectively with peers, and consistently upheld the values of the nursing profession.

Ms. Samantha has expressed a strong desire to continue her education in the nursing course, and I offer my highest recommendation for her admission. I am confident that she possesses the dedication, integrity, and capability necessary to succeed in advanced nursing studies and to become an excellent nurse.
