LETTER OF RECOMMENDATION

For Scholarship Application

Peace Corps Alumni Foundation for Philippine Development

Dear Members of the Scholarship Committee:

I'm Ryzalaine S. Mercene, adviser of Ms. Macalawa. It is my pleasure to recommend my student, Ma. Almira Macalawa, for a scholarship at Peace Corps Alumni Foundation for Philippine Development. As her class adviser, I have had the opportunity to see her growth as a student and as a young leader. Throughout the time that I have known her, I have seen her dedication to her studies, her sense of responsibility, and her willingness to do her best in everything she does.

Almira is one of the students whom I can truly rely on. She takes her studies seriously and always makes sure that her responsibilities are properly done. What I admire most about her is her ability to balance her academics with other responsibilities. Even when she is involved in different activities and responsibilities, she does not allow these to affect the quality of her studies. She knows how to manage her time and stays focused on her goals.

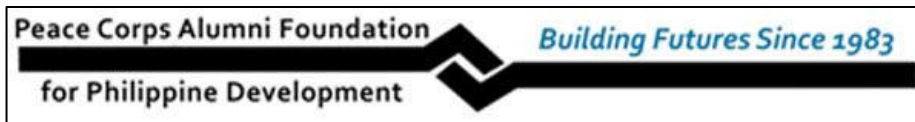

As her adviser, I have always been proud of her academic performance. She is hardworking, responsible, and determined to do well. She is also one of the students who received one of the highest honors in our class. Her achievement is a reflection of the effort she puts into her studies. I have never doubted her ability to give her best, and she has always shown that she values the trust given to her by her teachers and her family.

Aside from being a good student, Almira also showed her leadership skills when she became the President of our section (HUMSS-01). I was able to see how she handled her classmates and the responsibilities given to her. She was able to lead while also being approachable and considerate of others. She learned how to communicate with her classmates, organize activities, and make sure that everyone was included. Through this experience, she showed that she can be a responsible and dependable leader.

Almira is also a creative student. She puts effort into her school activities and is not afraid to share her ideas. She often finds creative ways to complete her tasks, making her work stand out while still meeting the requirements. Her creativity, together with her willingness to learn, makes her a well-rounded student.

What I appreciate most about Almira is that she does not need to be reminded many times to do what is expected of her. She understands her responsibilities and takes them seriously. She is respectful toward her teachers and classmates and is someone who can be trusted. As her adviser, I have seen how much effort she puts into reaching her goals, and I believe that she deserves the opportunity to continue her education in a good institution.

I strongly recommend Ma. Almira Macalawa for this scholarship. I believe that she has the ability, determination, and attitude needed to succeed in her studies. More than her academic achievements, I believe that she is a student who will value the opportunity given to her and will continue to work hard to reach her goals. I am confident that Almira will continue to make her family, teachers, and school proud. I sincerely hope that you will consider her application and give her the opportunity to pursue her studies.

Thank you for your time and consideration.

Respectfully yours,

Ms. Ryzalaine S. Mercene

Class Adviser
