The Chairperson
Peace Corps Alumni Foundation
for Philippine Development

Dear Sir/Madam:

It is my pleasure to recommend Mr. Mark Jessie P. Magsaysay for the scholarship to pursue a master's degree. As his former college instructor, I had the opportunity to witness his dedication, intelligence, and commitment to his studies.

He graduated Magna Cum Laude with a Bachelor of Secondary Education, major in Science, an achievement that reflects his hard work and strong academic performance. After graduation, he continued to grow professionally and became one of the review faculty members of Carl Balita Review Center, where he shared his knowledge and expertise with aspiring professionals.

Beyond his academic achievements, he has shown leadership, responsibility, and a genuine passion for learning and teaching. I believe that pursuing a master's degree will help him further develop his skills and knowledge and allow him to contribute even more to the field of education.

I strongly recommend Mark Jessie for this scholarship. I am confident that he is deserving of this opportunity and will continue to use his knowledge and abilities to inspire and help others.

Respectfully,

Mrs. JENNIFER A. REYES
Education Department Head
Sta. Teresa College
