Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

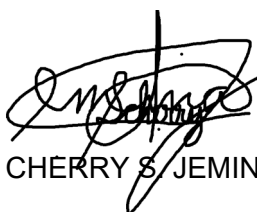

Jacel Mae B. Teope is one of the most promising students at Leganes National High School. Her achievements, dedication, and resilience reflect her strong character and commitment to excellence. During her Grade 11 year, she consistently demonstrated outstanding academic performance and earned the distinction of **With Highest Honors**. Her perseverance and passion for learning continue to inspire her teachers and fellow students, making her a role model in the school community.

Despite experiencing financial hardships, Jacel never allowed poverty to stop her from pursuing her dreams. Instead of giving up in the face of life's obstacles, she remained strong, determined, and courageous in striving to achieve her goals. Her resilience and unwavering perseverance serve as an inspiration to others, proving that difficult circumstances do not define a person's future.
