Recommendation

To the Scholarship Committee,

I am pleased to recommend Ms. Yruma for your scholarship program. As one of her teachers, I have had the opportunity to observe not only her academic performance but also her character, leadership, and dedication to service.

Ms. Yruma has consistently demonstrated academic excellence throughout her stay in our school. She has been a consistent honor student and currently ranks first in her class. Despite studying in a public school and coming from a marginalized background, she has remained focused on her studies and has shown determination to succeed. Her achievements are the result of hard work, discipline, and perseverance.

Beyond academics, Ms. Yruma is an active student leader. She serves as the Class President and has effectively led her classmates in various school activities and initiatives. She is also actively involved in the programs of the Supreme Secondary Learner Government (SSLG), both within and outside the school. In these activities, she has shown initiative, responsibility, and the ability to work well with others.

Her leadership has had a positive impact on our school community. She encourages her peers to participate in school programs, promotes cooperation among students, and willingly takes on responsibilities when needed. She is dependable, respectful, and committed to serving others, qualities that make her a role model to many of her fellow learners.

In my view, Ms. Yruma possesses the academic capability, leadership potential, and strong sense of community that this scholarship seeks to support. I am confident that she will make the most of this opportunity and continue to contribute positively to her school and community.

I strongly endorse her application and recommend her without reservation.

Sincerely,

REDENTOR C. BAROÑA
