Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

As the President of the Purok Youth Organization, I have worked closely with Aime Sendrijas, who serves as our Vice President. Throughout her service, she has shown responsibility, dedication, and strong leadership skills. She actively participates in youth activities, helps organize community programs, and works well with other members. Aime is dependable, respectful, and always willing to assist whenever needed.

Aside from her leadership role, Aime is committed to her education and personal growth. She balances her academic responsibilities with her service to the community and consistently demonstrates a positive attitude and determination to succeed. I believe she has the character, potential, and commitment to make good use of this scholarship opportunity, and I highly recommend her for consideration.
