To the Scholarship Committee Peace Corps Alumni Foundation for Philippine Development

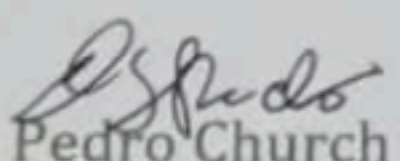

Dear Members of the Scholarship Committee:

I am pleased to recommend Kenshin Rue Cayanan for your scholarship program. As a church leader, I have seen his willingness to help others and participate in church and community activities.

Kenshin is responsible, respectful, and hardworking. He shows good leadership potential through his cooperation with others and his commitment to serving the community. I believe that this scholarship will help him continue his education and develop his potential to serve others.

I strongly recommend Kenshin for this scholarship and believe he is deserving of this opportunity.

Respectfully,
