Recommendation

To Whom It May Concern,

I highly recommend my former student, **Jaymark Pedoy Libaton**, for your scholarship program. I had the privilege of being his teacher at Quezon National High School. He is a humble, intelligent, and hardworking student whose parents are farmers. He has six siblings, and because of their large family, his parents cannot afford to send him to college.

While many students need financial support, I am recommending him because of his positive attitude and the way he values the people around him. He has a vision of becoming successful to help his loved ones who are struggling in life. He is truly in need of financial support to continue his education, and he is truly deserving of this opportunity.

Academically, he is intelligent and diligent. He works hard and never gives up despite hardships. His humility, perseverance, and determination make him truly deserving of this scholarship. I have no doubt that if given this opportunity, he will excel in college, maintain his good character, and one day give back to the community.

I wholeheartedly recommend him for this scholarship. I hope you will give him the chance to achieve his dreams. Thank you very much for your kind consideration.

Respectfully yours, **JOANA M. OLOVERIO**, Former Teacher Quezon National High School.
